CANTON PUBLIC SCHOOL

DEDICATION

The Class of 1984 dedicates our yearbook, ECHO 1984 to a very special person.

Canton High School is fortunate to have a staff which in its diverseness, its interests, and its approaches is able to meet the individual needs of our students. We dedicate our book to honor a member of the staff who not only serves in her position as a teacher, but who also gives a portion of herself to enrich our individual lives. As class advisor she has helped to unite our class and organize many activities that have made our years at Canton High School more enjoyable for us.

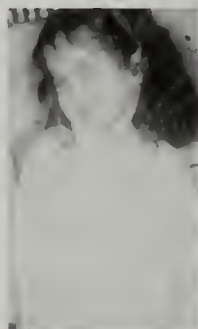

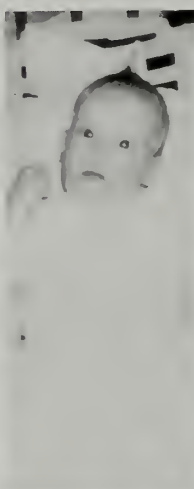

We hope, Mrs. Roht, that your association with our class has in some way brightened your life as you have added to ours. Your fine example, your many kindnesses, and your interest in us will continue to serve as a challenge and live with us in our future.

Thank you Mrs. Roht.

Late Bus Could Be Added For Winter

Support for the late bus may mean reinstatement during the winter months.

Budget cuts eliminated the two late buses in the school system, yet the prevailing attitude among School Committee members and parents, could return a bus for the winter season.

Superintendent Dr. Peter Caper-

J. Ma Kathleen Gav

The University of Massachusetts-Amherst has selected Kathleen Gavin from Canton High School as a winner in the 1983 Chancellor's Talent Award Competition conducted this Spring on the Amherst campus of the University of Massachusetts. The school is receiving this recognition for outstanding Massachusetts high school students who have demonstrated high achievement in academics. Kathleen has won a merit scholarship of a four-year

students who stayed after for detention.

Referring to her own experience as a late bus driver, Jeanette Spence said the average run picks up about 20 students a day. Mitchell added that the number will increase when the weather turns cold. Spence at-

tributed the biggest the late bus run to who stayed for get all their Spence.

Monday's meet versus Oliver Ames had to be postponed because of rain, but the squad will finish up their dual meet seasons again OA and Franklin this week.

n Up

Tricia Hogan placed second and Michelle Overton placed third in the 500 yard freestyle races. Each swimmer turned in her personal best time of the season in the event.

On an up note, the girls defeated tough Dover-Sherbourn 102-70 earlier in the week. The following swimmers placed first in their events:

The National Honor Society is supervised by the National Association of Secondary School Principals. Membership in the National Honor Society is based on four criteria: scholarship, leadership, service, and character.

This year the Canton High School National Honor Society included in its activities the running of a successful phonathon for the American Heart Association and a tutoring program for students.

The object of our chapter is "to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy membership, and to encourage the development of character in students of Canton High School."

THE MUSICAL

Last year, the Canton High Math Team won the Massachusetts Math League and the Greater Boston Math League as well as the State and New England Championships. This year's team is following right in its footsteps. It has won with record-breaking scores in the Greater Boston Math League, and they hold a record as the longest running team in both leagues. Eleven of the members have qualified for the second level of the Massachusetts Math Olympiad, putting them in the top two percent of the state. The Mathletes are preparing for the State and New England contests and are looking forward to equaling, if not surpassing last year's accomplishments.

The language clubs have once again had a year with many diversified and interesting activities. The Spanish, German and French Clubs have brought to Canton High students a chance to explore the life and culture of foreign countries through speakers, food festivals, and visitors from other countries.

The year 1984 marks the twelfth year of the student exchange with the lycee of La Baule, France and the sixth year with St. Georges Gymnasium in Bocholt. With the help of the language clubs students from Canton have had the opportunity to visit France and Germany and to host students from these countries. Each year the programs increase in popularity and generate enthusiasm for all the students in Canton. Most important is the strong bonds of lasting friendship that continue to be formed between the communities of Canton, LaBaule, and Bocholt.

RALLY COMMITTEE

SCIENCE CLUB

This year has been an excellent one for the CHS Science Club. With an expanded membership the club's involvement in science-related events, trips to Suffolk University Marine Biology Seminar, Plymouth nuclear power plant, Woods Hole Marine Biology Center and the Wellesley College Greenhouses, served to motivate students to explore science and scientific fields.

The Echo Staff has worked hard to capture the charm, individuality, and character of the Class of 1984 in ECHO '84. The objective of the staff was to provide you, the Class of '84, with a lasting remembrance of the days of your senior year at Canton High School.

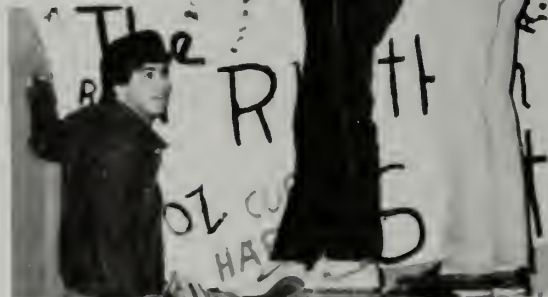

After a year of hard work making deadlines, seeking advertising funds, recording sports events, activities, and chasing pictures and writeups — we finally did it. It is the hope of the staff that you will enjoy your yearbook now and that it will serve as a source of enjoyment to you in the future.

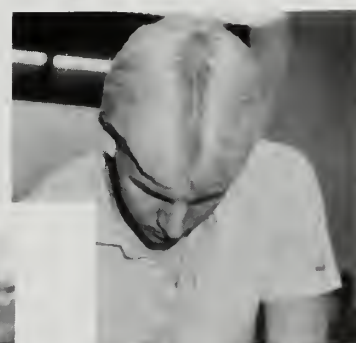

Thank you to all who have helped to make ECHO '84 possible and to Mrs. Devine for her assistance.

CONGRATULATIONS

Class of 1984

Now that you have completed your high school education, unlimited possibilities for interesting careers await you.

With your high school diploma, you can afford to be selective in your choices of a career.

We would be pleased to discuss with you at any time opportunities available, both in our office and distribution center, as well as retailing in the hundreds of shoe departments we operate coast to coast.

Whatever your career decision, we extend to you our best wishes for your success.

No matter what kind of life you lead, you'll lead it better at the 57.

Whether you're looking for an unforgettable meal, auspiciously complemented by a superb wine. Or your favorite cocktail mixed to perfection in our contemporary piano bar. Or simply a good night's rest in one of our spacious hotel rooms, complete with color TV.

You'll find it at the 57. Because, as anyone who's been there will readily

attest, the 57 is more than a place where you can go to bring your day to a proper conclusion.

The truth is, life begins at 57.
